Question

Why is it that every time I'm walking down the street  
Somebody wants to stop me  
Just to give me a flyer  
Come on man  
Funk that  
Get out of my way

Question

Why is it that every time I walk into the bank  
The tellers look at me  
Like I'm the one that robbed them last week  
Come on man  
Funk that  
What're you looking at

Question

Why is it that every time I turn on the radio  
I hear the same five songs  
Fifteen times a day  
For three months  
Man funk that  
Get a new DJ

Question

Why is it that bums ask me for money  
When I ain't got none  
What is it an in thing or something  
Let me remind this goon he ain't got no money huh  
Man funk that  
Get a job

You know

Every time I see my neighbor  
She tells me to stay out of trouble  
The other one looks at me like I'm the one that got her  
daughter strung out  
Come on man  
Funk that  
What're you looking at

Seems like every time it never fails it never fails

I'm just chilling in my crib  
Minding my own business  
And somebody wants to call me just to talk about  
nothing  
Funk that  
Get a life

Question  
Why is it  
That when I go out to a nightclub  
Only the ugly chicks wanna step to me  
I mean like I'm ugly or something huh  
What you mean huh  
Funk that  
Get out of my face
