Just like the breath of spring  
You came my way  
I heard a bluebird sing  
But not today

'Cause it's wintertime  
And the leaves are brown  
Since you went away  
My world fell down  
My world fell down  
My world fell down, fell down

I see your suitcase lyin'  
Packed up to go  
I stop myself from cryin'  
How I don't know

'Cause it's wintertime  
And the leaves are brown  
Since you went away  
My world fell down  
My world fell down  
My world fell down, fell down

Wish I didn't feel like winter  
'Cause spring's a better thing I know  
I know I'd feel so much better  
If I could only let her go

'Cause it's wintertime  
And the leaves are brown  
Since you went away  
My world fell down  
My world fell down  
My world fell down

'Cause it's wintertime  
And the leaves are brown  
Since you went away  
My world fell down  
My world fell down  
My world fell down, fell down
