Girls and boys, kings and queens
Let me see you move your feet
Come on get your ass on the dance floor

The crowd is young, the feeling's right
We're going to keep you up all night
Let me see you move to the groovin'

When the DJ spins the sound
I get chills down by spine
The music's making me high

I got the creeps all over my body
Like I wanna dance, dance, dance
I got the creeps all over my body
Like I wanna dance, dance, dance
Party til the morning comes around

Getting down with the band
Let me see you clap your hands
It's not a question, it's a demand

You asked me to all night long
So I'm gonna sing your favorite song
I'm cravin' y'all to sing along

When the DJ spins the sound
I get chills down my spine
The music's making me high

I got the creeps all over my body
Like I wanna dance, dance, dance
(Party til the morning light)
I got the creeps all over my body
Like I wanna dance, dance, dance
Party til the morning comes around

We're gonna have a good time
Leave all of your troubles behind
There's no use in worrying, so let me hear you
Let me hear you scream!

Creeps...
Party til the morning light
I got the creeps all over my body
Like I wanna dance, dance, dance
I got the creeps all over my body
And I wanna dance, dance, dance
I got the creeps all over my body
Like I wanna dance, dance, dance
(Party til the morning light)
And party til the morning comes around
