First I want you
Then I get you
But once I've got you
Then I don't want you
So you go away
Til I beg you stay
And I go tic toc
Like a cocoo clock
I don't know what I want

And I keep changing up
The game til I'm going insane

Chorus

I'm a super kinetic
Schizophrenic
So illogical
It's pathological
The moment you say goodbye
I feel my eyes start to cry
But when you're here
I just wanna make you disappear

When you didn't call
Like you said you would
It made me so mad
But it felt so good
How can I miss when you
Won't go away?
And I go high low
Like a pogo go
And baby I still don't know

And I keep changing up
The game til I'm going insane

Chorus

Hello how are you?
Goodbye
Of course I've missed you

Goodbye
I really love you
Goodbye, hello, goodbye

Chorus
