My pleasure depends on
My blue eyed boy's decisions
He is my inspiration
Without him I just can't go on
In this life be strong
Without my boy
In his eyes I see doubt about me

Chorus

Do you really wanna feel in need
Of justification?
Do you really wanna be
Without destination?
Do you really wanna lose me,
Do you?
Tell me what is wrong
Without you I can't go on

My baby just told me
I can't promise anything, see
I don't know his true intentions
I hate this insecurity about us
And I need to trust
Don't give up on me
I don't know what to do
Chorus

If you want it to end
Let me know where to send
All this loving I still have for you
But don't expect me to smile
Don't expect me to cry
I'd rather hide my tears
And let it end
Do you really wanna feel?

Chorus
