Breathe, let it flow don't ever stop inhaling
You can be damn sure that I won't fake it
I can't help myself, I'm addicted to you

Scream, when we're reaching for the top together
Oh I wish that it could last forever
I can't get enough, enough of your loving

This feeling is unstoppable
Boy you make me lose control because

You make me feel like a woman
Nobody's ever done it, the way you do it to me baby
You make me feel like a woman and I deserve to come
When you're doing what you do to me
You make me feel like a woman

Cream, well you sure know how to rock my body
Let it go I got it all inside me
Bringing out the best, the biggest sensation

This feeling is unstoppable
Boy you make me lose control because

You make me feel like a woman
Nobody's ever done it, the way you do it to me baby
You make me feel like a woman and I deserve to come
When you're doing what you do to me
You make me feel like a woman

You really got me quivering
Please don't stop delivering
You'll never hear me say the word stop
I know you got much more in store
Don't keep me beggin you for more
Wanna drain you til you drop

You make me feel like a woman
Nobody's ever done it, the way you do it to me baby
You make me feel like a woman and I deserve to come
When you're doing what you do to me
You make me feel like a woman
