This is how I'm ending up  
She's got her finger on the trigger  
She's got no sense of motherhood  
It's so not what it's supposed to be between her and me  
A prisoner of a wrecked mind  
I lost control of space and time  
Now every second feels like an hour  
My life is in her power

Mama put your gun down  
Don't shoot me in the head  
I didn't do ya nothing wrong  
So why you wanna see me dead?  
Now mama put your gun down  
Don't shoot me in the face  
I didn't do ya nothing wrong  
So let me finish my race  
Mama put your gun down  
(Mama put your gun down)

Cold, cold eyes and cold cold heart  
She always hated me right from the start  
Go easy mom, just take it slow  
She told me I'm the lowest of the low

I can't stand more of this freak show  
I better jsut take off and go  
But there is no way to escape  
I'm stuck in her mistake, no!

Mama put your gun down  
Don't shoot me in the head  
I didn't do ya nothing wrong  
So why you wanna see me dead?  
Now mama put your gun down  
Don't shoot me in the face  
I didn't do ya nothing wrong  
So let me finish my race  
Mama put your gun down  
(Mama put your gun down)

Some say that history repeats itself

Well just ask me because I know damn well  
I've had the same nightmare for years and years now  
I guess it manifests my greatest fears now  
So what's the deal mom?  
Could this be real mom?  
Or am I one pathetic mislead daughter  
Blaming all the wrongs in my life on you  
When I'm the one responsible

I wanna go to the Vegas  
And let the sun shine on me  
But I guess that it's return now  
'Casue you're pointing it right at me

Mama put your gun down  
Don't shoot me in the head  
I didn't do ya nothing wrong  
So why you wanna see me dead?  
Now mama put your gun down  
Don't shoot me in the face  
I didn't do ya nothing wrong  
So let me finish my race  
Mama put your gun down  
(Mama put your gun down)
