I look up to the sky for answers
I find riddles in the clouds
I look around at all of the people
Find them hard to figure out
Sometimes I'd like to be a stranger
Sometimes I'd like to be alone

On my own
The world seems bigger
And love feels kinder
Cuz I don't have to fit in
On my own
My eyes see clearer
When I look in life's mirror
I'm home
I'm home

I try to capture time in a bottle
They went over in the night
Moments have a way of changing
The second time around
Sometimes I wanna be my only friend
Sometimes it feels like I am

On my own
The world seems bigger
And love feels kinder
Cuz I don't have to fit in
On my own
My eyes see clearer
When I look in life's mirror
I'm home
I'm home

Everyday there's another way
Of finding out all mistakes I've made
The same ones I make today
But everyday comes another chance
To get it right
Make it change
But right now I wanna stay on my own
The world seems bigger

And love feels kinder
Cuz I don't have to fit in
On my own
My eyes see clearer
When I look in life's mirror
I'm home
I'm home
On my own
The world seems better
And love feels kinder
Cuz I don't have to believe
On my own
My eyes see clearer
When I look in life's mirror
I'm home
I'm home
I'm home
