Don't know why I can't get out of bed
Memories keep haunting me like demons in my head
I realize I've taken you for granted
I wanna break this circle that I find myself in

'Cause I'm a peace breaker, you're the love maker
I'm giving up, I'm down on my knees
And I'm begging baby please

You should know by now
I'm not the one I used to be, no
You should know by now
You can put your trust in me
Can't you see I fit you like a hand in a glove?
'Cause I would do anything for a piece of your love

Honestly I know I don't deserve this
But take me back and I promise
I'll be worth it this time
I guess I have to lose to know I need it
Your voice, your touch, your sweet cares
Everything that's you

'Cause I'm a peace breaker, you're the love maker
I'm giving up, I'm down on my knees
And I'm begging baby please

You should know by now
I'm not the one I used to be, no
You should know by now
You can put your trust in me
Can't you see I fit you like a hand in a glove?
'Cause I would do anything for a piece of your love

Give me one more chance to show you who I can be
How can I let you know that you are precious to me?
You were right and I was wrong
No doubt about it
Except my apology, listen to me

Because I'm down on my knees
And I'm begging you please

Will you stay with me?
Can't you see I fit you like a hand in a glove?
'Cause I would do anything for a piece of your love
You should know by now
I'm not the one I used to be, no
You should know by now
You can put your trust in me
Can't you see I fit you like a hand in a glove?
'Cause I would do anything for a piece of your love
