She can't write, I bet she can't sing
Do you know how she got her deal?
Well she was in a movie
When she was a kid
And showed her body in a magazine

She's a bitch, a goddamn diva
I never met her but I heard
She's only got a face
With tons of make up
And a boyfriend she doesn't deserve

I won't waste my time trying
To compromise
With what you'll never like
Try to realize I won't steal your guy
Though I could do it
In less than a minute

Chorus

Yeah, call me a troublemaker
Yeah, cuz I just can't fake it
I am the one I'll always be
So think before you judge me

Always fit in, do nothing unexpected
Never stand out in a crowd
Cuz if you do you're unprotected
Don't pretend you got a place to hide

I won't sell my soul
Trying to get control over
People's thoughts
I'll maybe walk alone and
It might get cold
But I tell you
I'd still have my freedom

Chorus

Maybe your path is all too narrow

And maybe your will is
Growing too strong to just belong
So come with me

Chorus

I am the one I'll always be
And you can never change me
I am the one I'll always be
Shut up because you're hurting me
