Life is a greenhouse gas  
House of colise and masks  
Pretending to be my friend  
But nothing can box me in

Cause I'm free, yeah  
Cause I'm free, yeah  
Cause I'm free, yeah  
I'm free yeah

I'll be the first to dance  
With every new circumstance  
I smile out the scene I see  
Cause I decide what it means to me  
Cause I can

Cause I'm free, yeah  
Cause I'm free, yeah  
Cause I'm free, yeah  
Cause I'm free, yeah, yeah, yeah

I'm close for your view  
Was a picture of you  
Before you knew  
Circled in red, are the things you said  
When you lost your head and god I debt  
Cause god is dead

But to whom it may concern  
It's no longer that person's turn  
It's mine

Cause I'm free, yeah  
I'm free, yeah  
I'm free, yeah  
Whoa, I'm free, yeah, yeah, yeah  
Cause I'm free, yeah  
I'm free, yeah, yeah  
But I'm free yeah, whoa  
Cause I'm free, yeah, yeah, yeah  
Dear sirs, we regret to inform you  
The norm to conform to

Does not means ... this time  
But of course you can try  
To reapply, for membership  
And resubmit, your many sketch  
When the man you scriptedâ€™s hands are lifted  
To the sky  
And the old you dies, sincerely  
The editorial me, the editorial me, yeah.
