The runway sends it's love tonight, as my plane lands  
in the rain

The seatbelt fastened sign blinks off, and I am asked  
to feel the same

As I did that night we shared our first kiss, at this very  
gate

I know it's hard to go, believe me, I don't want to leave  
you

I'll be home for Arbor Day  
One more month is all it takes  
To set the may flowers in bloom  
To let you know that I need you

Get under my umbrella, and wait it out with me  
I'll make sure that you're safe and sound, be  
everything you need  
Until the darkest stormy skies, will clear as the sun  
floods our eyes  
I know it's hard to go, believe me, I won't ever leave  
you

We say our last goodbye
