BE THANKFUL

Be thankful for what you've got,
Though at times it may not seem like a lot;
And count your blessings, I'm sure you've got a few,
And believe in your dreams 'til they all come true.

Be grateful for the little things,
Try and be patient and see what tomorrow brings;
And count your good friends, I know you've got a few,
And believe in your dreams 'til they all come true.

Life is filled with sorrow,
Everybody's felt the pain,
But before a flower can grow,
It's got to have a little bit of rain,
Gotta have a little bit of rain.

You are just as free as you decide to be;
The things that hide the truth are false illusions,
We must find a way to brighten every day,
And it's up to you to draw your own conclusions!

So, Be Thankful for what you've got,
Though at times it may not seem like a lot;
And count your blessings, I'm sure you've got a few,
And believe in your dreams 'til they all come true,
It can happen to you!

So
BE THANKFUL !
