Tell your daddy and your momma too
You've got something better to do
Than stick around the house the rest of your life
You're 18 you can do what you like
You'll be the queen of the highway
My Motorcycle Momma
And we'll see the world from my Harley

We'll get matching jackets and helmets too
We'll get respect from the towns we ride through
We'll sleep at the roadside in the soft green grass
And if the squares go by we'll let them pass
You'll be the queen of the highway
My Motorcycle Momma
And we'll see the world from my Harley

And maybe in a year or two, We'll have a little one
She'll look just like you
We'll add on a sidecar, electric guitar
We'll be a trio, baby makes three oh

Tell your daddy and your momma too
You've got something better to do
Than stick around the house the rest of your life
You're 18 you can be my wife
You'll be the queen of the highway
My Motorcycle Momma
And we'll see the world from my Harley
And we'll see the world from my Harley
And we'll see the world from my Harley
If the chain don't break. Vroooooooooooooommm
