(Spoken) Now ladies and gentlemen I'll attempt to ride
this motorcylce, through a solid brick wall.

I don't know where I'm goin'
Can't say how long I'll be gone
I'm gettin' weeds from the seeds I've been sowin'
Seems like everything I do is wrong.

I get so tired, Yes
I get so tired.
Well I get so tired.

I'm not mad
but the wind is blowin'
I can hear it callin' me home.

I get so tired
I get so Tired
Yes I get so tired,
Sick of tryin'
