Have You Heard The Songbird
Singin' You His Tune

Did you know he was singin'
His only song for you, just for you now.

Was he at your window
or on your radio

Did you know he was singin'
The only song he knows

Oh Songbird, Sing your song for me
I will be grateful for a simple melody

Sing the blackness of a
Magic starlit night
And I'll know, that it's alright.

There are many songbirds
Singin' different tunes

Did you know one was singin'
His only song for you.

Well I know,
There's just got to be,
A star shinin' somewhere for me tonight.
