Look up.  
Search in.  
It makes no sense  
Or is it too much sense to see?

It's too much just for us.  
So shorts our lives  
In endless time.

Thirsty minds.  
Guess I'll have to wait  
But I just can't wait.

We come in  
And ware out.  
Don't you wonder  
What it's all about?  
And Racing the skyline.  
It whispers and it shouts  
Nothing I can figure out.  
Nothing I can figure out.

A hint from the stars.  
A random clue  
With unsettling truth.

Thirsty minds.  
Guess I'll have to wait  
But I just can't wait.

We come in  
And ware out.  
Don't you wonder  
What it's all about?  
And Racing the skyline.  
It whispers and it shouts  
Nothing I can figure out.  
Nothing I can figure out.

No time to find, there's no time to find.  
I've been wondering on, I've been wondering on.

We come in  
And ware out.  
Don't you wonder  
What it's all about?  
And Racing the skyline.  
It whispers and it shouts  
Nothing I can figure out.  
Nothing I can figure out.

Thirsty minds.  
It makes no sense  
And that makes sense to me.
