Don't say you need it
Just because you want a something to hold on.
Sometimes decisions
Are taken by the ones we have around.

To play it safe
Restricts the pain.
But it hides the truth.
It depends on you.

Are you ready to fall?
Ready to feel?
And ready to grow?
Or losing time?
Losing time.

Don't try to avoid it
'Cause later it will be what shoots you down.
Sometimes decisions
Are taken by the ones we have around.

To play it safe
Restricts the pain.
But it hides the truth.
It depends on you.

Are you ready to fall?
Ready to feel?
And ready to grow?
Or losing time?
Losing time.

Are you ready to fall?
Ready to feel?
And ready to grow?
Or losing time?
Losing time.

Are you ready to fall?
Ready to feel?
And ready to grow?
Or losing time?

Losing time.

Are you ready to fall?

Ready to feel?

And ready to grow?

Or losing time?

Losing time.
