Darwin Hobbs
Exceedingly
Abundantly
Above all
All you can ask from him
According to the power
That worketh in you

(Bridge)
God is able to do just what he said he would do
He's gonna fullfill every promise to you
Don't give up on God
Cause He won't give up on you
He's able

(Chorus)(2x)
God is able to do just what he said he would do
He's gonna fullfill every promise to you
Don't give up on God
Cause He won't give up on you
He's able(2x)

(Darwin Hobbs)
Oh oh oh oh oh oh oh
He's Able

(Chorus)(3x)
Oh oh oh oh oh oh oh
He's able

(Darwin Hobbs)
He's Able

(Chorus)
He's able
He's able(3x)
Yes he is
I tried it
Anybody tried it
He's able(2x)
Whatever he says
He's gonna do it

Whatever he promise
He's gonna do it
He's able(4x)
I tried it
He's able(3x)
Somebody sing it
He's able
Yes he is
He's able
Yes he is
He's able
How many know
He's able
Whatever he says
He gonna do it
Don't give up on God
Don't give up on God
Anybody ever wanted to give up
Has anybody ever wanted to throw in the towel
Anybody know God to be able
Don't give up on God
Cause he won't give up on you
He's able
If you know he's able tonight
Everybody say oh
Oh(till fade)
