In this place there is fullness of joy
And in this place, Lord we've come to adore
In this place there is pardon for every sin
And in this place we are welcomed here

Breath of life, Holy lamb, perfect sacrifice
Great I am we reverence you in this place
We honor you as we bow down before your name
Prince of place we worship you in this place

In this place grace and mercy abide
In this place unconditional love
In this place revelation of who you are
And in this place I surrender all

Breath of life, holy lamb, perfect sacrifice
The great I am we reverence you in this place
We honor you as we bow down before your name
Prince of peace we worship you in this place

There is love here
There is peace here
There is joy here in this place
You'll find strength here
Lose your fears here
Everything that you need is in this place
2x (once in unison/2nd time parts)

Breath of life, holy lamb, perfect sacrifice
The great I am we reverence you in this place
We honor you as we bow down before your name
Prince of peace we worship you in this place
3x

In this place
In this place
We reverence you, we honor you, we magnify, worship
your name (2x)

Breath of life, holy lamb, perfect sacrifice
Prince of peace we worship you in this place
