Right now I feel the need for some attention  
Been kicking my heels in need of some affection  
Been wasting so much time  
Now I'm looking out for number one  
I drank a little wine  
And I've only just begun  
But you never thought I'd call  
And i want to do it all now baby  
Last night I heard about your reputation  
Get over here and give me some explanation  
Been wasting so much time  
Now I'm looking out for number one  
I drank a little wine  
And I've only just begun  
But you never thought I'd call  
And I want to do it all now baby  
Said I want to do it all  
I want to do it all
