Just as I walked away,  
I turned to hear you say:

(Spoken) "The words nearly got carried away by the  
wind.  
Of that, I can make out this much."

Don't Back down,  
Don't back down, this time.  
Brown eyes and [cider-bright],

Don't Back down,  
Don't back down, this time.  
Sometimes I wonder why.

Love-town and [Fortis-green]  
Your mother hated me.

(Spoken) "Caught in a car outside the [O.D.],  
And rain pouring down the windscreen"

Don't Back down,  
Don't back down this time.  
Brown eyes and [cider-bright]

Don't Back down  
Don't back down, this time.  
Sometimes I wonder why.

That summer felt so long.  
I never felt so strong

(Spoken) "And then, a sudden craving  
That I might want to see you again"

Don't Back down,  
Don't back down this time.  
Brown eyes and [cider-bright]

Don't Back down  
Don't back down, this time.

Sometimes I wonder why.
