"He's On The Phone"

Visit "[He's On The Phone](#)" on MotoLyrics.com

He's on the phone, / and she wants to go home; /
Shoes in hand, / don't make a sound, / it's time to go.

(ooh-ooh) /
Someday (someday), someday. /

He's on the phone, / doesn't want to go home. /
The hotel life - / forget your wife, / you're on your own.
Academia girl; /
Her life's a gas, / she loves the trash / inside his world.
/
Can't find his way there, /
Got the cash, / feeling flash / in leicester square. /

(ooh-ooh) /
Yes. /
She never meant to call, / she did anyway, /
And now he's trying to find / the words to say /
Someday (someday), someday (someday.) /
Yes. /
She never meant to call, / she did anyway, /
And now he's trying to find / the words to say /
Someday (someday), someday. /

It's five to twelve / and she's nervous as hell, /
With nothing to lose, / it's hard to choose / it's hard to
tell. /
[the remix has this additional couplet:
And her's is lilac and gold; /
The things she has, / she's feeling sad, / she's feeling
old.] /
Skin is dewdrop and warm; /
The lipstick kiss, / reminisce, / awake 'til dawn. /

(ooh-ooh) /
Yes. /
She never meant to call, / she did anyway, /
And now he's trying to find / the words to say /
Someday (someday), someday (someday.) /
Yes. / (ooh-ooh) /
She never meant to call, / she did anyway, /

And now he's trying to find / the words to say /
Someday (someday), someday (someday.) /

Et c'est alors que supposément blesse par le commun
des mortels, /

[the remix contains the middle section:

Qu'en habit pourpre et net, / de mes cendres fictions, /

Pour l'encore inconnu(e), attendu(e); /]

Je reserecte encore et encore. /

Je reserecte / encore / et encore. /

He's on the phone / and she wants to go home, /

Shoes in hand, / don't make a sound, / it's time to go /

Ooh-ooh /

Yes. /

She never meant to call, / she did anyway, /

And now he's trying to find / the words to say /

Someday (someday), someday (someday.) /

Yes. / (ooh-ooh) /

She never meant to call, / she did anyway, /

And now he's trying to find / the words to say /

Someday (someday), someday (someday), someday.
