Transcription courtesy of starchild:

How long  
Hey honey, how long  
When the winter isn't cold no more  
And there's no one  
No honey, no one  
Can't go out, they've made you new gunlaws

I'd give you  
Yeah, and I give you  
I'd give you all my love, oh but boy  
Never  
You said you'd never  
Turn around and close the door

One day (goes ? ) into another  
One day (goes ? ) into another  
One day (goes ? ) into another

I watch you and you won't grasp  
I just can't sleep no more  
I'd call you  
I wanna touch you  
As we drive across the border  
Canada is cold  
And how long  
Yeah honey, how long  
Is the place we've got to get to far?

And how long  
Yeah honey, how long  
Is the place we've got to get to far?

One day (goes ? ) into another  
One day (goes ? ) into another  
One day (goes ? ) into another

Repeat 4x
