Without beforehand thinking,  
sometimes I say things.  
I could never hate you.  
I could never hate you.  
I do not mean one  
word of what I say.  
I don't hate you.  
I don't, I do not.  
Let's kiss and make up,  
let's kiss and make up.  
Let's you and I  
kiss and make up.  
Let's kiss and make up,  
let's kiss and make up.  
Let's you and I  
kiss and make up.  
Without beforehand thinking,  
sometimes I say things.  
I could never hate you.  
I could never hate you.  
I do not mean one  
word of what I say.  
I don't hate you.  
I love you.  
Let's kiss and make up,  
let's kiss and make up.  
Let's you and I  
kiss and make up.  
Let's kiss and make up,  
let's kiss and make up.  
Let's you and I  
kiss and make up.  
Let's kiss and make up,  
let's kiss and make up.  
Let's you and I  
kiss and make up.  
Let's kiss and make up,  
let's kiss and make up.  
Let's you and I  
kiss and make up.
