

Sainte Marie Buffy "Goodnight"

Visit "[Goodnight](#)" on MotoLyrics.com

Sleepless nights don't bother me at all
If dawn comes I won't worry
Something deep inside keeps me awake
wish that you were here right beside me
recall when I was very young
and could not go to sleep
My father sang me songs to make me tired
But memories don't make it easier so
Goodnight
wherever you are sleeping
and I hope that if you dream
you dream of me.
Oh goodnight
wherever you are sleeping
and I hope that if you dream
you dream of me
Now I lie awake and it's no fun
tossing and turning
I'd call you if it weren't so very late
but telephones don't bring you close to me
I recall the times we stayed up late
Wide awake but still dreaming
There was nothing on this earth could make me tired
but memories don't make it easier so
Goodnight
wherever you are sleeping
and I hope that if you dream
you dream of me.
Goodnight
wherever you are sleeping
and I hope that if you dream
you dream of me
