Maybe it's because I'm the bastard son  
That was born out(side) of love  
In this house of shit-hardened brick;  
Under the star for the disaffected

But I live my life indignant,  
Stubborn and seeking inspiration  
Cause from my manger to my cross-  
Time's ticking  
And there's no time to suffer a boss

[Pseudo-Chorus]

So with that,  
The three Kings and I,  
We're setting out to redeem  
Everyone alive!  
A journey across the map  
To call shit like it is,  
And point fingers, unabashed!  
It might take the end  
For a chosen few  
To ensure divinity to this crew  
Well, we'll just have to chance it...

We spread the Gospel of fervent rage  
To working folk and pariah the same  
All the way from the Cayman Isles  
To the dark wells of sand dune lakes

[Pseudo-Chorus]

It's an Inquisition for  
Idolaters and financial whores  
Seeking the day for their Last Supper now  
Life has bent it's will  
Long enough for such greedy men  
So raise the stakes and light the pyres  
Hoist up the offending liars  
And leave them for dead

[Outro]

Scream "Sakes Alive!"  
Scream "Sakes Alive!"  
We are born again
