I believe someone up above
Made me just for you to love
Chose you dear from all the rest
He knew I'd love you best.

Once I heard him say to me
Loneliness wasn't meant to be
Make a wish on stars above
And you'll find lasting love.

Heaven must have heard my prayer
For when I looked I found you there
Now the world is mine at last
Cause I found lasting love.

Now each time you cling to me
Heaven offers eternity
Angels sing from up above
They bless our lasting love.

Repeat 3 & 4
