Come on little pigeon
I'm your midnight friend
You got me chained up (?)
And a?

I flipped my lid
Let's fly out of the coop
Let's go little pigeon
Gonna swoop the loop (?)

Come on little pigeon
Give me love, love, love
We'll be close like a couple of doves

Come on little pigeon, fly away with me
Come on little pigeon, fly away with me

I'm all rocked up from the juke box beat
I love the way you scuffle your pretty little feet

Let's take off now
Let's fly out the coop
Let's go little pigeon
Gonna swoop the loop (?)

Come on little pigeon
Give me love, love, love
We'll be close like a couple of doves

Come on little pigeon, fly away with me
Come on little pigeon, fly away with me

I'm all in a spin'
Eww, I'm outa control
All she'd up (?)
And I'm ready to roll

I got?
Let's fly that coop
Let's go little pigeon
Gonna swoop the loop (?)

Come on little pigeon
Give me love, love, love
We'll be close like a couple of doves

Come on little pigeon, fly away with me
Come on little pigeon, fly away with me

Fly away with me
Fly away with me
Fly away with me
Fly away with me
