Can't figure out  
What it's all about  
You're always on my mind.  
You never miss  
With your sweet kiss  
But you leave my heart behind.

I wanna you to start movin  
Come on hold me tight.  
Start movin in my direction  
And lets start our lovin tonight.

Now I declare  
My love is there  
You are just my speed.  
I wont behave  
Till I know you crave  
My lovin yes indeed

I wanna you to start movin  
Come on hold me tight.  
Start movin in my direction  
And lets start our lovin tonight.

You speak-a to me  
And I'm weak as a child  
You call my name  
And it drive me wild.  
I love you baby  
Can't let you go  
And that's why I must let you know

This heart of mine  
Aint worth a dime  
Without your lovin, I'm cold  
So if you care  
Then please declare  
It's me you want to hold

I wanta you to start movin  
Come on hold me tight.  
Start movin in my direction

And lets start our lovin tonight.

You speak-a to me  
And I'm weak as a child  
You call my name  
And it drive me wild.  
I love you baby  
Can't let you go  
And that's why I must let you know

This heart of mine  
Aint worth a dime  
Without your lovin, I'm cold  
So if you care  
Then please declare  
It's me you want to hold

I wanta you to start movin  
Come on hold me tight.  
Start movin in my direction  
And lets start our lovin tonight.  
Kiss and a hold me tight  
Come on, tonight  
Right now, tonight.  
Lets start our lovin tonight  
Oh yes,  
Start our lovin tonight.
