"I Want You"

Visit "[I Want You](#)" on MotoLyrics.com

You know I loved you
When I first set eyes on you
And now you tell me
You felt the same way too

Now I want you
I want you
Yes I want you to know that
Loving you has changed my life

My life was empty
A meaningless charade
Before I met you
I played the losing card

Sad as I was
I always knew that
Love would come to me
Now that you're here
My happiness is
Boundless as can be

Yes I want you to know that
Loving you has saved my life
