There's one in the bag  
For the laughing hag

There's one in the bag  
For the fool on the hill  
And one in the bag for you  
There's one in the bag for you

There's one in the school  
For the laughing moose  
And one in the leg for you  
Yeah there's one in the head  
For the laughing moose  
And everyone's herring fool

Mary's vineyard of toys  
Will open my eyes to her joys

As I walk down her path  
Her eyes beckon me to her bath

Oh, oh, I am in love with her

But there's one in the bag  
For the laughing hag
