I remember long ago

Many things we didn't know

But hear me say

We still have time

Too many people change

The world we live in

Cause they don't know

They'll run out of time

(CHORUS)

I hear that voice getting stronger

You know that it's higher than hope

We won't have to wait any longer

Stand up and let them know

That you just won't let go

Every stone that's been placed in

The empire of ancient grounds

One day, they'll fall

You'll say goodbye

United, they stand

Today, they're one land

Nobody knows

Who'll say goodbye

(CHORUS) 3X

Stand up and let them know

That you just won't let go
