You and I in a little toy shop  
Buy a bag of balloons with the money we've got  
Set them free at the break of dawn  
'Til one by one, they were gone  
Back at base, bugs in the software  
Flash the message, "Something's out there"  
Floating in the summer sky  
As 99 red balloons go by

99 Division Street, 99 ministers meet  
To worry, worry, super-scurry  
Call the troops out in a hurry  
This is what we've waited for  
This is it boys, this is war  
The president is on the line  
As 99 red balloons go by

99 Knights of the air  
Ride super-high-tech jet fighters  
Everyone's a superhero  
Everyone's a Captain Kirk  
With orders to identify  
To clarify and classify  
Scramble in the summer sky  
As 99 red balloons go by

99 dreams I have had, each of them a red balloon  
Now its all over and I'm standing pretty,  
in the dust that was a city  
If i could find a soviner just to prove the world was  
here.  
Here it is a red balloon I think of you and let it go
