Don't know why I used to walk the same way home  
from school  
And I'd hoped I see her  
And then, when I didn't, I was crushed  
Like the bully stole my lunch  
Oh yeah oh yeah  
Yeah well it, seems so hard for me to do  
To be myself when I'm with you  
With you, I'm with you yeah oh  
She gave me a milkshake and a kiss  
I don't need a whole lot more  
And She gave me a milkshake and a kiss  
I don't need a whole lot more than this  
Take me back in time when I  
I didn't give a fuck  
About what I said or did  
When I did it, it was done  
And nothing more was less  
Oh yeah oh yeah  
Yeah well it, seems so hard for me to do  
To be myself when I'm with you  
With you, I'm with you yeah oh  
She gave me a milkshake and a kiss  
I don't need a whole lot more  
And She gave me a milkshake and a kiss  
I don't need a whole lot more than this  
And She gave me a milkshake and a kiss  
I don't need a whole lot more than this  
Any more than this  
Any more than this  
Seems so hard for me to do  
To be myself when I'm with you  
With you, I'm with you yeah oh  
She gave me a milkshake and a kiss  
I don't need a whole lot more  
And She gave me a milkshake and a kiss  
Takes away my emptiness  
And She gave me a milkshake and a kiss  
I don't need a whole lot more than this  
And She gave me a milkshake and a kiss  
I don't need a whole lot more than this
