4 o'clock in the morning
Shadows dancing upon the wall
I woke up in the middle of a bad dream
I was spending my money on foreign calls

They was laughing, I was mourning
Crawling up the biggest waterfall
I got hit by the bus in the light beam
Bare knuckle, I'm a punching ball
It's a never ending story
Raised on the river said your baby doll
I'm in it for the pride and glory

The battle is on
You're hit, you're gone
Now count to 20 and here we go again

Here we go again
Here we go
Here we go again

She's running around her grave stone
I'm playing on a mountain top
Going back and fourth on my knee bones
Now the man and the mouse makes a mighty drop

Get on up on your feet to the love store
Hey bubbles, wanna smell the candy?
The elevator don't go to the top floor

But the battle is on
You're hit, you're gone
Now count to 20 and here we go again

Here we go again
Here we go
Here we go again...
