We never get enough always wanna have some more.
What do we know when enough is enough?
That's true! It's hard to say no when the devil looks at
you.
Sometimes it tears you this is right and that's wrong.
Just makes it feel like our lives are too long.
That's true! It's hard to say no when the devil looks at
you.
I gotta break up before it's too late and I give up
I gotta break up before it's too late, before it's too late.
Oh yeah yeah yeah yeah yeah yeah x 2
You better take a step back.
Ask your self is this the place you wanna be at?
How far you will go?
And I know it's hard to say no when the devil looks at
you.
It's up to you to make your own choice,
But believe me it's hard to make the right choice when
he's there.
And baby I know yeah it's hard to say no when the devil
looks at you.
I gotta break up before it's too late and I give up, I gotta
break up before it's too late, before it's too late x2
Oh yeah yeah yeah yeah yeah x4
