I'm disgusted  
With myself  
Can't be trusted  
Just lock me up and leave  
All them voices  
In my head  
No more choises  
I'm longing for relief  
I'm longing for relief  
Please give me some relief  
Please give me some relief

Solitary  
Is how I'm living  
Involuntary  
I'm nowhere to be found  
I've stoped believing  
In tomorrow morning  
In all this grieving  
It's time to say goodbye  
It's time to say goodbye

I leave the good and bad behind  
It's the only way out for me  
I can't trust god with my destiny  
Split my Personality

Sudden thunder  
Loud and clear  
Through sleep and slumber  
Awakes me and I see  
Where I am headed  
Deep down below  
And then he said it  
It's time to turn around  
It's time to turn around

I see my back and where I'm bound  
It's the only way out for me  
I can't trust god with my destiny

It's time to turn around  
I see my back and where I'm bound  
It's the only way out for me  
I can't trust god with my destiny  
Split my Personality
