All I ever wanted
Was to be at your service
But now I'm alone
'Cause you were here and you're gone
And all I ever wanted
Was to feel I had a purpose
But now that's all gone
But if you could give me

Just one love
Just one life
Just one chance to believe in mine
Just one love
Just one life

You'd bleed for me
And I didn't dare to notice you
Now I'm stuck
Out on a line
Bleed for me
I didn't care to be with you
Now you're stuck in my mind

All I ever wanted
Was to be what you needed
'Cause something so strong
It could never be wrong
And all I can promise
Is to say what I'm feeling
We've made it so long
But if you could give me

Just one love
Just one life
Just one chance to believe in mine
Just one love
Just one life

You'd bleed for me
And I didn't dare to notice you
Now I'm stuck
Out on a line

You'd bleed for me
I didn't care to be with you
Now you're stuck in my mind

Just one love in my life

You'd bleed for me
And I didn't dare to notice you
Now I'm stuck
Out on a line
Bleed for me
I didn't care to be with you
Now you're stuck in my mind

Bleed for me
I really want to bleed for me
I really want to bleed for me
Just one love in my life
Bleed for me
I really want to bleed for me
I really want to bleed for me
Just one love in my life
