Fuck all y'all

Heres a little story that needs to be told
About the devil doin' business in the fiery hole
Oh yeah yeah
Here's a little story that's so, so true
About the fame and the money and the lawyers too
Oh yeah yeah

There's just one thing I'll say to you
If you're fuckin' me, I'm gonna fuck with you
Since all my money you're chasin'
I'll find a steady replacement
Fuckin' me must've been entertainment

Nobody more, nobody gets burned
Nobody more, nobody gets burned
Nobody more, nobody gets burned
Nobody more, nobody gets burned
Huh, oh yeah yeah

Here's to all the fuckin' lies you told
About a rabbit in a hat that's runnin' for the hole
Oh yeah yeah
Here's to all the fuckin' money you made
So take your nickel back and default the rest of your
take
Oh yeah yeah

There's just one thing I'll say to you
If you're fuckin' me, I'm gonna fuck you too
Since all my money you're chasin'
I'll find a steady replacement
Fuckin' you should be entertainment

Nobody more, nobody gets burned
Nobody more, nobody gets burned
Nobody more, nobody gets burned
Nobody more, nobody gets burned
Yeah hey yeah
Aoh

Alright

Nobody more, nobody gets burned

Nobody more, nobody gets burned, burned

Nobody more, nobody gets burned

Nobody more, nobody gets burned, burned

Nobody more, nobody gets burned

Nobody more, nobody gets burned, burned

Nobody more, nobody gets burned

Nobody more, nobody gets burned

'Cause what goes around

Is comin' back around

So fuck all y'all
