Be what you wanna be, see what you wanna see
You're going to anyway
Take what you need from me
All that you'll ever be is something so crazy

And you can find another side to be on
If you wish you can
Or you can choose the other way
'Cause it is right there in your hands

And you can mistake it for anything that you want
And you can erase it with everything that you're on

You're so lazy, you're so crazy
You got me crazy in my head
What you're wastin' is what you're chasin'
And it's right there in your hands

And you can mistake it for anything that you want
And you can erase it with everything that you're on
'Cause you're greater than but less than what you are
'Cause you're greater than but less than you come
from

Oh, no, oh, no, oh, no, no, no, oh, no, oh, no
Oh, no, no, no, oh, no, oh, no, oh, no, no, no
(Time is on her knees)
Oh, no, oh, no

And you can mistake it for anything that you want
And you can erase it with everything that you're on
'Cause you're greater than but less than what you are
'Cause you're greater than but less than you come
