Well, I heard your voice on a Tulsa wind
When I was far away from home
I will come to you in a dream, my friend
To love you when I'm gone

And there's never a second
Never a moment
That you'll ever be alone

From Memphis to Oklahoma
From Boston to California
From Detroit to Arizona
I will always be forever here with you

Well, the first time I ever seen your face
I saw the ghost behind your eyes
Heaven consuming me with your warm embrace
You're a woman and a child

And in just one second
Just one moment
Finally feels like home

From Memphis to Oklahoma
From Boston to California
From Detroit to Arizona
I will always be forever here with you

From Memphis to Oklahoma
From Boston to California
From Detroit to Arizona
I will always be forever here

In life there will be trials and troubles
But we will always have each other
And there could never be another
Woman in this world, in this world
In this world, in this world

From Memphis to Oklahoma
From Boston to California
From Detroit to Arizona

I will always be forever here with you

From Memphis to Oklahoma

(Here with you)

From Boston to California

(Here with you)

From Detroit to Arizona

I will always be forever here with you
