I am the master of this game
And everybody knows my name
And I will gladly make you see
That you should not have messed with me

But you have thrown the gauntlet down
Only gauntlet, one who wears the crown
So I will gladly hunt you down
And I'm gonna stomp you into the ground

And you know it's true
I'm just better than you
See the fear that's in your eyes
I'll make you realize

Well, oh, yeah, here we go again
Looks like we're on the floor again
Hell, yeah, here we go again
'Cause I can't get away

I'll fight forever
I won't surrender
And I will always
Hunt you down
Down, down, down

Next time you open your mouth up
You better be ready to back it up
You better talk to all your friends
I bet you won't do this again

'Cause when you chose to raise your hand
That's when a boy messed with a man
And I will hunt you down, my friend
And I'm gonna tear you limb from limb

And you know it's true
I'm just better than you
See the fear that's in your eyes
I'll make you realize

Well, oh, yeah, here we go again

Looks like we're on the floor again
Hell, yeah, here we go again
'Cause I can't get away

I'll fight forever
I won't surrender
And I will always
Hunt you down

And you know it's true
I'm just better than you
See the fear that's in your eyes
I'll make you realize it

Well, oh, yeah, here we go again
Looks like we're on the floor again
Hell, yeah, here we go again
'Cause I can't get away

I'll fight forever
I won't surrender
And I will always
Hunt you down
Down, down, down
