I thought this was a perfect love affair
Not like the other ones, not like the other ones
But now I think, I see things pretty clear
Just like the other ones, just like the other ones

But I want you and I need you
That one that makes me feel alive
I want you and I need you
I feel like I wasted all my time
My time, my time, my time
Yea

Yeah
Ohh no no no
Nohoo nohoo

I feel like I've died and gone to Hell
Just like the other ones, just like the other ones
There's no more excuses you can sell
I hope you've had your fun, but I'm not the only one

But I want you and I need you
That one that makes me feel alive
I want you and I need you
I feel like I wasted all my time
My time, my time, my time
Yea, yea, yea, yeah

I want you and I need you
That one that makes me feel alive
I want you and I need you
I feel like I wasted all my time
(You're such a waste of time)
My time
(You're such a waste of time)
My time
(You're such a waste of time)
My time
