"Is It You?"

Everybody waits for the one to come along,
Who can put all of the pieces in their places,
It's a twist of fate but I know it isn't wrong,
That the right one sometime puts you through the
paces,

Everybody's on the run except for me,
Now I'm the only,
And I'm not gonna run,

Is it me?
(Is it me?)
Is it you?
(Is it you?)
Is it wrong to feel the way I do?
Is it real?
(Is it real?)
Can you feel,
(Can you feel,)
How alive I am when I'm with you?

I knew it all along,
And rarely am I wrong,
Cause it's a fool who bets it all without the aces,
Everybody bluffs, some too much, some not enough,
But when they're lyin' you can read it in their faces,

Everybody's on the run except for me,
Now I'm the only one,
And I'm not gonna run,

Is it me?
(Is it me?)
Is it you?
(Is it you?)
Is it wrong to feel the way I do?
(Wrong to feel the way that I do)
Is it real?
(Is it real?)
Can you feel,
(Can you feel,)

How alive I am when I'm with you?

I knew it all along,
It's simple as a song,

Everybody's on the run except for me,
Now I'm the only,
And I'm not gonna run,

Is it me?
(Is it me?)
Is it you?
(Is it you?)
Is it wrong for me to feel the way I do?
(Wrong to feel the way that I do)
Is it real?
(Is it real?)
Can you feel how alive I am when I'm with you?
I knew it all along,

Everybody cries,
Everybody's waitin' for the sun to shine on
Something they think they'll never find,

Everybody cries,
How alive I am when I'm with you
