I'll never seen any side of heaven  
I'll walk for miles through a blazin' hell  
It doesn't matter what you think I'm supposed to be  
'Cause I myself know all too well

I'll open your eyes and make you see  
I'm the king of my world  
King of my world  
I'll break down the walls around you down

I'm the king of my world  
King of my world  
I'll break down the walls around you

(Jericho)

(Break the walls of Jericho)

My mind alone is filled with rage for you  
I am the pastor to your sheep  
I am the master of my destiny  
I am the king of all I see

I'll open your eyes and make you see  
I'm the king of my world  
King of my world  
I'll break down the walls around you down  
I'm the king of my world  
King of my world  
I'll break down the walls around you

(Jericho)

Here I come again  
Come again  
3,2,1  
Here I come  
Here I come again  
3,2,1  
Here I come again  
Here I come  
3,2,1 Here I come

HERE I COME!

I'm the king of my world  
The king of my world  
I'll break down the walls around you down

I'm the king of my world  
King of my world  
I'll break down the walls around you

I'm the king of my world  
King of my world  
I'll break down the walls around you down

(Jericho)

Break the walls of Jericho

(Jericho)
