Ladies and gentlemen please  
Would you bring your attention to me?  
For a feast for your eyes to see  
An explosion of catastrophe

Like nothing you've ever seen before  
Watch closely as I open this door  
Your jaws will be on the floor  
After this you'll be begging for more

Welcome to the show  
Please come inside  
Ladies and gentlemen

Boom, do you want it?  
Boom, do you need it?  
Boom, let me hear it  
Ladies and gentlemen

Boom, do you want it?  
Boom, do you need it?  
Boom, let me hear it  
Ladies and gentlemen

Ladies and gentlemen, good evening  
You've seen that seeing is believing  
Your ears and your eyes will be bleeding  
Please check to see if you're still breathing

Hold tight 'cause the show is not over

If you will please move in closer  
You're about to be bowled over  
By the wonders you're about to behold here

Welcome to the show  
Please come inside  
Ladies and gentlemen

Boom, do you want it?  
Boom, do you need it?  
Boom, let me hear it

Ladies and gentlemen

Boom, do you want it?  
Boom, do you need it?  
Boom, let me hear it

Welcome to the show  
You came alone  
Please come inside  
Ladies and gentlemen

Boom, do you want it?  
Boom, do you need it?  
Boom, let me hear it  
Ladies and gentlemen

Boom, do you want it?  
Boom, do you need it?  
Boom, let me hear it  
Ladies and gentlemen

Boom, do you want it?  
Boom, do you need it?  
Boom, let me hear it  
Ladies and gentlemen

Boom, do you want it?  
Boom, do you need it?  
Boom, let me hear it
