One, two, three, four

A message to our enemies
Never fuck with one who's had to fight for being free
Whether it's one or two, or three
We'll take our pleasure out on making you believe

And I'm taking you out
And I'm taking you down you'll see
And I'm taking you out
And I'm taking you down with me

The pride of America is the fear that's in your eyes
And your insecurity will undo you in time
I hear the people say, "Hey, hey, hey, hey, hey"
'Cause we're the pride of America

A message to your enemies
Never fuck with one who's had to fight for being free
Whether it's one or two, or three
We'll take our pleasure out on making you believe

And I'm taking you out
And I'm taking you down you'll see
And I'm taking you out
And I'm taking you down with me

The pride of America is the fear that's in your eyes
And your insecurity will undo you in time
It's just like the old folks say, "It's an eye for an eye"
There's no turning back now that you're on the front
lines

Hell, yeah
[Incomprehensible]

And I hear the people saying, "Hey, hey, hey, hey, hey"
'Cause we're the pride of America
"Hey, hey, hey, hey, hey"
'Cause we're the pride of America

"Hey, hey, hey, hey, hey"

'Cause we're the pride of America, one
"Hey, hey, hey, hey, hey"
The fucking pride of America
