Jumpin' into my fifty-five
Chevy with flames
I'm peelin' out at the light
Feel like I'm going insane

I'm shootin' straight through the night
I'm like a runaway train
I'm breakin' in the doors
And bringin' the pain, yeah, yeah

I got this feelin'
I don't know what to do
Sex, drugs and violence
Give me somethin' to do, yeah

Sex, drugs and rock 'n roll
I got a feelin' down in my soul, yeah
Sex, drugs and rock 'n roll
You're never too young, you're never too old, yeah

All my life I've been
Lookin' for a bitch like you
With sweet bubble gum breath
And diamond shape baby blues

Get on the floor and show me
What you can do, yeah
I bet you're dreamin' for
The night is through, yeah, yeah

I got this feelin'
I don't know what to do
Sex, drugs and violence
Is drivin' through

I got this feelin'
I don't know what to do
Sex, drugs and violence
Please give me somethin' to do, yeah, yeah

Sex, drugs and rock 'n roll
I got a feelin' down in my soul, yeah

Sex, drugs and rock 'n roll
You're never too young, you're never too old, yeah

Sex, drugs and rock 'n roll
I got a feelin' down in my soul, yeah
Sex, drugs and rock 'n roll
You're never too young, you're never too old, yeah

Sex, drugs and rock 'n roll
I got a feelin' down in my soul, yeah
Sex, drugs and rock 'n roll
You're never too young, you're never too old, yeah
