Jumping into my 55' Chevy with flames
I'm peelin out at the light
Feeling like i'm going insane
I'm shootin straight through the night
I'm like a runaway train
I'm breakin in doors and bring the pain

I got this feeling
I don't know what to do
Sex, drugs and violance
Give me something to do

Sex, drugs and rock 'n roll
I got a feeling down in my soul
Sex, drugs and rock 'n roll
Your never too young your never too old

All my life I've been looking for a bitch like you
Sweet bubble gum breath and diamond shape baby
blues
Get on the floor and show me what you can do
I bet your dreaming for the night is through

I got this feeling
I don't know what to do
Sex, drugs and violance
Is driving through

I got this feeling
I don't know what to do
Sex, drugs and violance
Give me something to do

Sex, drugs and rock 'n roll
I got a feeling down in my soul
Sex, drugs and rock 'n roll
Your never too young your never too old(2x)

(solo)

Sex, drugs and rock 'n roll
I got a feeling down in my soul

Sex, drugs and rock 'n roll
Your never too young your never too old
